

SMAW SERIES

BLUE ARC ARC 630

The **BLUE ARC** ARC630 welding inverter is equipped with the latest IGBT technology and digital meters.

This technologically advanced inverter is extremely user-friendly and offers reliable and consistent arc performance. The ARC 630 also offers lift TIG functionality making it an ideal choice for industrial applications.

Key Features

- IGBT module inverter technology.
- Soft switching technology .
- Easy and simple operation panel.
- Optional cable remote control guarantees convenient remote operation.
- Excellent welding quality,optimum arc dynamic characteristics
- Suitable for all kinds of electrodes
